## Detailed Itinerary

### Day 1: Yangon Arrival

Upon arrival, you will be met outside the baggage claim area by your guide who will escort you to a waiting vehicle for your transfer to downtown with a brief introduction en route. Your guide will be holding a welcome signboard with the Asia Tour Advisor logo & your name. During the drive your guide will provide an introduction to Yagon.

Located in the fertile delta region of central Burma (Myanmar), the former capital and waterfront city of Yangon with its crumbling British colonial mansions and ancient stupas, thriving restaurants and lively bars, is a melting pot of old and new. Home to over four million inhabitants, it's a sprawling city, the streets interspersed with parks and lakes, much

of its allure stemming from the colourful street life. Marvel at the glittering Shwedagon Pagoda, wander the cobblestone streets of Bogyoke Market or simply watch the rickshaw drivers in their striped longyis (sarongs) peddle lazily through the streets as you sip on a cup of tea at a roadside tea stall.

## Day 2: Yangon - Kyaikhtiyo - Golden Rock

Breakfast at hotel. Morning drive for 4 hours, through seemingly endless paddy fields to the small town of Kyaikto and on to the "base camp" of Kinpun, where take a truck up a bumpy track about half way up the mountain. Check into hotel. From here, walk up the path which climbs to the legendary "Golden Rock". (The climb takes around 1 hour and those unwilling, or not fit enough, to walk can hire four porters to carry them in a sedan chair). The climb offers magnificent views over the surrounding countryside and the opportunity to make friends with many local people who make the pilgrimage to Kyaikhtiyo. The incredible "Golden Rock" sits precariously on top of the mountain, and is said to balance thanks to a precisely placed hair relics of Buddha. Weather permitting, sunset views from Mount Kyaikhtiyo are amazing.

Kyaikhtiyo Pagoda is also known as Golden Rock is a well-known Buddhist pilgrimage site in Mon State, Myanmar. It is a small pagoda (7.3 metres (24 ft)) built on the top of a granite boulder covered with gold leaves pasted on by devotees. According to legend, the Golden Rock itself is precariously perched on a strand of the Buddha's hair. The balancing rock

seems to defy gravity, as it perpetually appears to be on the verge of rolling down the hill. The rock and the pagoda are at the top of Mt. Kyaiktiyo. It is the third most important Buddhist pilgrimage site in Burma after the Shwedagon Pagoda and the Mahamuni Pagoda. A glimpse of the "gravity defying" Golden Rock is believed to be enough of an inspiration for any person to turn to Buddhism.
