Day 1: Ho Chi Minh City to Ben Tre - Setting Sail on the Mekong

As the sun rises over Ho Chi Minh City, prepare for a captivating journey into the heart of the Mekong Delta. Our guide will collect you from your hotel and set the course for Ben Tre, a picturesque destination nestled amidst the Mekong's tranquil waters.

Upon arriving at Ham Luong dock, the adventure truly begins as you step aboard a boat to cruise along the meandering Ham Luong River, a tributary that feeds the mighty Mekong. The cool breeze carries whispers of adventure, and the lush tropical islands lining the riverbanks beckon you to explore.

Our voyage brings us to various local workplaces, where time-honored techniques give life to remarkable crafts. Discover the art of creating activated charcoal, marvel at the process of drying coconuts, and witness skilled artisans crafting handy coconut husk brooms. You'll also encounter family businesses using coir, the versatile coconut fiber, to produce astonishing pieces of art.

Experience the village roads as you hop aboard a "Xe Lôi," the local motorized rickshaw, for a scenic cruise around town. Next, hop into a kayak to navigate the natural canals. Here, you'll find yourself immersed in the peaceful beauty of the Mekong River and the serenity of rural life. After this journey, we'll enjoy a delightful lunch at a local host's home.

Post-lunch, you have the opportunity to unwind or choose from a host of activities: cycling through the village, relishing the countryside, trying your hand at fishing, and even engaging with locals in the culinary arts. As the evening descends, a memorable dinner and an enchanting overnight homestay await you.

Rise and shine to the harmonious morning tunes of the countryside. Following breakfast, we'll embark on a boat journey along one of the Mekong's meandering tributaries. Along the way, observe the lively river activities, from fishing to water transfers.

We'll make pit stops to explore the fascinating brickwork and witness the meticulous process of making coconut charcoal and husking coconuts. As we journey onward, you'll visit a coconut candy workshop, with a chance to learn the intricate art of coconut candy making. Our voyage will take us along natural scissors creeks, where the channels appear to grow narrower and more intricate, leading us deeper into the village.

Strolling through the tranquil villages, we'll encounter artisans creating traditional sleep mats and engage with the local peasant community. To complete this remarkable day, you'll either ride on a cart powered by a motorbike or opt for a leisurely bicycle ride through the verdant landscapes.

A delectable lunch awaits at a local restaurant before we head out for a leisurely afternoon. As we cycle through the village, row along water palm creeks, and cruise via boat to Hung Vuong Pier, you'll be absorbed in the authentic beauty of the Mekong Delta.

As the day unfolds, we set out on a leisurely boat trip to explore the intricate tributaries of the Bassac River, a segment of the mighty Mekong. This aquatic journey leads us to the renowned Cai Rang floating market, a bustling hub that encapsulates the vibrant spirit of the Mekong.

At the market, you'll have the chance to savor Vietnamese vermicelli soup and witness the intricate process of its creation. Stroll through the lively village, connect with friendly locals, and gain a firsthand experience in crossing a "Monkey bridge," an awe-inspiring bamboo structure sustained by a single stem of bamboo.
