Upon arrival, you will be met outside the baggage claim area by your guide who will escort you to a waiting vehicle for your transfer to downtown with a brief introduction en route. Your guide will be holding a welcome signboard with the AsiaTourAdvisor Logo & your name. During the drive your guide will provide an introduction to Phnom Penh.

In the afternoon, we will start visiting the capital city of Phnom Penh: Visit the Independent Monument, the National Museum, the Royal Palace and the Silver Pagoda. Silver Pagoda has a special name because of its floor, which is made up of 5000 silver tiles. We will end the day with Wat Phnom. Back to the hotel for rest and overnight.

The riverside capital of Phnom Penh, once known as “The Pearl of Asia” and long considered the most beautiful French-built city of the Orient, is a charming and captivating city. The old French ochre-coloured colonial buildings are now being filled with trendy cafes, boutiques and art galleries and many traditional ornate temples still remain. The bustling squares and frangipani-lined boulevards create an atmosphere that is unlike any other city in South East Asia. Rich in history, Phnom Penh has a number of cultural and historical sites including the National Museum, Royal Palace and Silver Pagoda, and offers an insight into its darker past with the haunting Killing Fields and Tuol Sleng Museum.
