See how they became a proud herd and free from abuse for the first time in their lives. Many find their visit to Elephant Nature Park rewarding and very relaxing. Observe free roaming elephants (no riding), and other rescued animals enjoying the natural surroundings of our sanctuary. Your visit helps support our regional projects and offers an invaluable opportunity of helping elephant conservation. You will join various activities to cherish the elephants (unload, distribute fruit treats and feed the elephants from the viewing platform).

Enjoy a sumptuous and varied vegetarian buffet of Asian and International dishes in the beautiful nature of the park

Walk with our staff and the elephants to the river that skirts the park. Watch these gentle giants as they splash around and play while you stay dry on the river bank. After the visit, it's time for goodbyes to the elephants and to Elephant Nature Park before the hour-long drive back to Chiang Mai where you will be dropped off at your accommodations.

**Park visits are all about spending quality time observing, being with the herd and be their friends (RIDING IS NOT ALLOWED). We do not adhere to a strict schedule; the best way to make the most of your visit is to relax, watch and learn from the elephants.*
